

LEATHER SCORECARD HOLDERS to suit MICLUB and Standard Cards

As part of Distinctive Products approach to providing the most innovative and unique products to all golfers, we have partnered with Miclub to provide its users of their world class golf management system a range of the highest quality genuine hide leather scorecard holders. **We have available holders for the autoscore card system and the NEW standard size cards. These 21 x 15 holders also fit any 2 page manual scorecard used by 100's of Australian clubs. (Original and still the only all leather holders - avoid the cheap imitations)**

These holders are all hand made to order, with pencil holder and full card protection. Fits into your back pocket, golf bag, or buggy card holder. It protects the card against the elements or being bent out of shape as well as looks and feels great. As a 100% genuine leather product the holder will handle the elements and if looked after it will last.

For the golfer looking for that special golfing accessory look no further. The holders come in seven great colours Black, Red, Navy, Green, Yellow, Blue and Pink or any special one off colour and we can make to order any holder. They can be embossed with the club logo, corporate sponsor or any image. *(conditions apply)*
