

# THE BELT

**THE BELT** is a one size fits all customisable belt. The coolest **unisex** fashion accessory on the planet, it is made from the highest quality silicone, safe, washable, colour fast and airport friendly. Just cut to fit your size it's that simple. **THE BELT** promotes individualism by allowing you to match and mix the colours with your moods, activity and what you are wearing. The buckles are all **interchangeable** with all the belts as are the buckle's tongue and clamp. There are hundreds of colour combinations.

If you want to look cool, be an individual, feel comfortable at whatever you are doing, golfing, skiing, paddle boarding, walking, swimming, skateboarding, surfing, horse riding, climbing, riding a bike, literally any activity, whether sporting or casual, that requires you to wear or use a belt, this is **THE BELT** you want to wear, use and be seen IN. **LOOK SMART...**

## BUCKLES INCLUDE THE FOLLOWING COLOURS:
